

MEMORANDUM

To: All Members, Participants and Related Parties

From: BOX Market Operations Center

Date: February 16, 2006

**Re: Broadcom Corp. (BRCM/RCQ) - 3 For 2 Stock Split**

Broadcom Corp. (RCQ/BRCM) has declared a 3 For 2 stock split payable to shareholders of record on Monday, February 6, 2006. Distribution date for the stock split will be Tuesday, February 21, 2006. Ex-distribution date for the stock split will be Wednesday, February 22, 2006.

Adjustment Date:	Effective on Wednesday, February 22, 2006
Underlying Stock Symbol	Remains the same
OPRA Option Symbol:	RCQ/RDZ/VJG/VAG/WGJ Becomes RBF/BTR/ZBZ/ZEB/LG
Number of Contracts:	1
Strike Prices:	Reduced by dividing existing strikes by 1.5 and rounded to the eighth
Multiplier:	150 (e.g. Premium of 1.50=\$150)
New Deliverable:	150 Shares of Broadcom Corp. (BRCM/RCQ)

Accordingly, pursuant to OCC By-Laws, all RCQ options on the ex-distribution date must be adjusted as follows:

1. The number of underlying shares represented by each option contract will be increased to 150 shares.
2. The strike price of each outstanding option series will be reduced proportionately and rounded to the nearest eighth of a point.

The effect of these adjustments on all outstanding RCQ/RDZ/WGJ/VJG/VAG options will be to change the symbol(s) to RBF/BTR/LGJ/ZBZ/ZEB, increase the number of underlying shares represented by each contract to 150, and to reduce the strike price for each series proportionately. The Exchange has further determined that new RCQ option contracts, representing 100 shares of BRCM, will start trading on Thursday, February 23, 2006.

**GOOD-TILL-CANCELLED (GTC) ORDERS**

On the distribution date of the stock split after the BOX market close, all resting orders for RCQ options in the BOX order book will be cancelled by the BOX Market Operations Center. If a BOX participant wishes to enter orders for the adjusted RBF series, the BOX participant will need to reenter the orders before the open on the next trading day.

The resulting list of adjusted strike prices and symbols is as shown on the following pages:
