AMERICA MOVIL, S.A.B. DE C.V. - DISTRIBUTION

DESCRIPTION:

America Movil, S.A.B. de C.V. (AMX) has announced a spin off of Telesites, S.A.B. de C.V. ("Telesites") at a rate of 1 Telesites share for every 1 AMX American Depositary Share held. Telesites will trade on the Mexican Stock Exchange and will not be listed on a U.S. exchange. Shareholders can elect to receive the distribution in the form of Telesites shares if they have a valid securities account in Mexico (Share Election) or shareholders can elect to receive the cash proceeds from the sale of one Telesites share in the local market, less any applicable taxes and fees, per AMX American Depositary Share held (Cash Election). AMX shareholders who do not make a valid election will receive the distribution in the form of cash.

AMX will not be quoted "ex-dividend" on the NYSE. Trades made beginning on December 21, 2015 will be without the value of the distribution of Telesites shares.

The election deadline is January 25, 2016. The cash distribution rate will not be determined until after the election deadline and after the sale of Telesites shares is completed. The record date for the AMX ADS distribution is December 23, 2015.

Exercise Consideration - On December 21, 2015, AMX options will be become adjusted symbol AMX2. The deliverable for AMX2 will include a cash component in the amount to be received by shareholders who fail to make a valid election. AMX Call option holders who do not wish to receive the distribution in the form distributed for non-electing shareholders must exercise their options in sufficient time in advance of the contract adjustment and observe all conditions of the election. In all cases, it is the sole responsibility of persons holding call options seeking to participate in the election to determine when to exercise their options and to comply with all terms and conditions of the election.
