

TO: BOX Participants
FROM: BOX Market Operations Center
SUBJECT: **New BOX Participant Testing Environment**
DATE: **December 7, 2011**

BOX Options Exchange has set up a new testing environment out of our Equinix NY4 Data Center in Secaucus, NJ. The new testing environment is now available to all BOX Participants.

All Participants are required to migrate from the current to this new environment no later than February 24, 2012.

BOX encourages Participants to begin planning their migration as soon as they can.

BOX Data Center

Equinix (NY4)
755 Secaucus Road
Secaucus, NJ 07094
