

Technical Notice

09-009

TO: BOX Participants and ISVs
FROM: Participant Connectivity Coordinator
SUBJECT: **Safety Line Upgrade**
DATE: July 30, 2009

The Boston Options Exchange (BOX) will be upgrading the telecom Safety lines from 100Mb/sec to 1GB/sec in New York this weekend. We recommend that Participants test their connectivity with BOX on Sunday August 2nd, 2009 from 10:00 AM to 2 PM EST.

Contacts

Please contact the BOX Market Operations Center at 1-866-768-8845 or by e-mail at boxmoc@bostonoptions.com if you require assistance or any additional details on this Technical notice

Thank you,

BOX Participant Connectivity Coordinator
