## Diana Shipping Inc. - Distribution

### DESCRIPTION:

Diana Shipping Inc. (DSX) has announced a distribution of 7.0% Series D Cumulative Convertible Perpetual Preferred Shares of OceanPal Inc. ("Preferred Shares") to DSX shareholders. The distribution rate is to be determined. Because there is not currently a market for the Preferred Shares nor is there the expectation that one will develop, the Series D Preferred Shares will automatically be converted into OceanPal Inc. Common Shares on or about the payable date, and then distributed to DSX Shareholders. The default of this distribution will, therefore, be the OP Common Shares, though DSX shareholders may elect to opt out of the conversion to OP Common Shares.

The distribution and conversion rates have yet to be determined. The record date is April 24, 2023; the payable date is May 16, 2023. The NYSE has set April 21, 2023, as the ex-distribution date for this distribution.

#### Delayed Settlement

OCC will delay settlement of the DSX, OP, and cash components, if any, of the DSX3 deliverable until the final deliverable is determined. Upon determination of the final deliverable, OCC will require Put exercisers and Call assignees to deliver the appropriate numbers of DSX shares and OP shares, and the appropriate cash amount, if any.
