

**GameStop Corporation - Warrants Distribution****DESCRIPTION:**

GameStop Corporation (GME) has declared a warrants distribution to GME Class A Common Shareholders, as described below:

Delayed Settlement

The GME component of the GME1 exercise/assignment activity will settle through National Securities Clearing Corporation (NSCC). OCC will delay settlement of the GME WS component of GME1 exercise/assignment activity until the trading status of the warrants is determined. Upon determination of the warrants' trading status, OCC will require Put exercisers and Call assignees to deliver the appropriate number of warrants.

NOTE: It is not yet known if the warrants will cease trading on NYSE prior to their expiration. The warrants are expected to expire on October 30, 2026. GME WS component of adjusted option GME1 will remain part of the GME1 deliverable until the warrants have expired. Once the expiration of the warrants has been confirmed, the GME WS will be removed from the GME1 deliverable. This change to the deliverables is expected to be effective on November 2, 2026.

Further Contract Adjustment

When the Warrants expire, adjusted GME1 options will be further adjusted to no longer call for the delivery of the Warrants. No adjustment will be made to the adjusted contracts to compensate for any in-the-money value the GME Warrants may have at the time of their expiration.
