THE ALLOCATION OF THE AGGREGATE STRIKE PRICE AMOUNT IS BEING PROVIDED SOLELY FOR THE PURPOSE OF THE INTERFACE BETWEEN OCC AND THE NATIONAL SECURITIES CLEARING CORPORATION (NSCC), AND IS NOT INTENDED TO BE USED FOR ANY OTHER PURPOSE, TRANSACTION OR CUSTOMER ACCOUNT STATEMENTS.

NOTE: It is not yet known if the SKYD Warrants will cease trading on NYSE prior to their expiration. The Warrants are expected to expire ten years from the distribution date, unless accelerated. The SKYD WS component of adjusted option SKYD1/2SKYD1 will remain part of the SKYD1/2SKYD1 deliverable until the Warrants have expired. Once the expiration of the Warrants has been confirmed, they will be removed from the SKYD1/2SKYD1 deliverable.

Further Contract Adjustment

When the Warrants expire, adjusted SKYD1/2SKYD1 options will be further adjusted to no longer call for the delivery of the Warrants. No adjustment will be made to the adjusted contracts to compensate for any in-the-money value the SKYD WS may have at the time of their expiration.

Exercise Considerations

The Warrants are to be suspended from trading before the opening on a date to be determined and expire ten years from their anticipated distribution date of October 13, 2026, unless accelerated. Call option holders who wish to exercise their adjusted options to obtain the Warrants for subsequent exercise, sale or other purposes bear sole responsibility for determining when to exercise their options as well as complying with all terms and conditions of the Warrants Distribution applicable to Warrants exercise or delivery.

Delivery Settlement and Protect Provisions

Option contracts which are exercised, and physically-settled security Futures contracts which mature, will require the settlement of all component securities included in the contract deliverable at the time of the option contract exercise, including rights, warrants, or similar instruments. Additional entitlements (such as due bills, eligibility to participate in tender offers, elections, etc.) may also automatically attach to securities deliverable upon option exercise. Conversely, exercised calls and or matured Futures contracts may be unable to realize the benefit of securities or entitlements not associated to the contract deliverable at the time of the option exercise or Option contract maturity.

Except in unusual cases, securities deliverable as a result of equity option exercises and or Option contract maturity are settled through National Securities Clearing Corporation (NSCC).
