

**TO: BOX Options Participants**  
**FROM: BOX Market Operations Center**  
**SUBJECT: Complex Order Book Launch – Additional Names Available**  
**DATE: May 6, 2013**

Following the successful launch of the **Complex Order Book**<sup>1</sup>, BOX Options Exchange is pleased to announce that additional names for trading Complex Orders will be available on **Tuesday May 7, 2013**.

All Participants interested in trading Complex Orders on BOX are required to update to the latest versions of the BOX services supporting Complex Order trading and re-certify. The protocol versions for Complex Orders are:

- SAIL Protocol A6
- FIX Specifications v3.6 or higher
- HSVF Protocol C4

Once updated and certified, Participants must coordinate with the BOX MOC to have their connections configured to support Complex Order trading.

**Note: Participants who do not wish to trade Complex Orders on BOX are not required to make any change.**

Please refer to [IC-2012-003](#) for more information on the Complex Order technical implementation.
