IC-2017-13

TO: BOX Options Participants
FROM: BOX Market Operations Center
SUBJECT: New Chicago POP
DATE: May 18, 2017

At the end of July 2017, BOX Options Exchange ("BOX") will offer a new point-of-presence site ("POP") at the Equinix-CH1 data center in Chicago, IL.

BOX's existing connection to the NY10 POP in New York is scheduled to be decommissioned at the end of 2017. Therefore, BOX Participants with a presence at NY10 are asked to take the necessary measures to move their connectivity from NY10 POP to CH1 POP.

Please contact the BOX Market Operations Center at (866) 768-8845 or by e-mail at BOXMOC@boxoptions.com to coordinate this change.
