Informational Circular

IC-2017-18

TO: BOX Options Participants
FROM: BOX Market Operations Center
SUBJECT: Chicago POP – Participant Migration
DATE: June 28, 2017

BOX Options Exchange's ("BOX") connection to the NY10 point-of-presence site ("POP") will be decommissioned at the end of 2017. On **August 1, 2017**, BOX will begin to migrate existing NY10 client connections to our new POP at the Equinix-CH1 data center in Chicago, IL.

BOX Participants with a presence at NY10 are asked to take the necessary measures to move their connectivity from NY10 to CH1 before the end of the year.

As a result of the NY10 decommission, BOX Disaster Recovery connectivity will now be offered at CH1.

Please contact the BOX Market Operations Center at (866) 768-8845 or by e-mail at BOXMOC@boxoptions.com to coordinate this change.
