

Liquidity Taker Event Report Request

The Liquidity Taker Event Report – Simple Orders (“Simple Order Report”) and the Liquidity Taker Event Report – Complex Orders (“Complex Order Report”) are Participant-specific daily reports that provide a BOX Options Participant with its liquidity response time details for executions of an order or Complex Order resting on the BOX Book or Complex Order Book where that Recipient Participant attempted to execute against such resting order within 200 microseconds of the time the resting order was received by the Exchange.

The Simple Order Report and the Complex Order Report are delivered via BOX Option Market’s Secure FTP Server.

BOX Participants seeking access to the BOX Options Simple Order Report and/or the BOX Options Complex Order Report must provide the following information to BOX Exchange at dataproduts@boxexchange.com. BOX Participants are required have an executed Direct Market Data Agreement in place prior to obtaining the requested Market Data.
