BOX Network Infrastructure Maintenance

On **Saturday, June 6, 2026**, BOX Options Market LLC ("BOX") will be performing maintenance on the BOX network infrastructure starting at **9:00 am EST**.

During this downtime, Participants and Data Recipients will not be able to access their reports via the SFTP service using the external (DMZ) SFTP server in NY4. Participants and Data Recipients will still be able to retrieve their reports via the SFTP service using the external (DMZ) SFTP server in CH1.

Participant and Data Recipient access to the external (DMZ) SFTP server in NY4 will resume **after 11:15 am EST on Saturday, June 6, 2026**. Please report any issues with connectivity after this time.

It is recommended that all Participants and Data Recipients test their ability to retrieve their reports via the SFTP service in NY4 following the completion of this scheduled maintenance.
