

BOX Network Infrastructure Maintenance for August 2026 – Cross-Connect Migration from Current to New Disaster Recovery Cage

TO: BOX Options Participants, Data Recipients and Extranet Providers
FROM: BOX Market Operations Center
SUBJECT: BOX Network Infrastructure Maintenance for August 2026 – Cross-Connect Migration from Current to New Disaster Recovery Cage
DATE: August 6, 2026

Overview

BOX Options Market LLC ("BOX") is migrating cross-connects from the current Disaster Recovery ("DR") cage to a new DR cage as per the schedule below:

- **Wednesday, August 12, 2026, after 5:00 pm EST**
- **Wednesday, August 19, 2026, after 5:00 pm EST**
- **Wednesday, August 26, 2026, after 5:00 pm EST**

Please contact the Market Operations Center to schedule a date and time for the migration. Once scheduled, Equinix will plan the activities and request approval to migrate.

During the planned maintenance window, Participants, Data Recipients, and Extranet Providers are required to confirm connectivity by verifying that:

- The port facing BOX is up, and
- The BGP session is established.
