New Feature in FIX Protocol – Additional Client Memo

TO: BOX Options Participants

FROM: BOX Market Operations Center

SUBJECT: New Feature in FIX Protocol – Additional Client Memo

DATE: April 2, 2024

Beginning Monday, June 3, 2024, BOX Options Market LLC ("BOX") will support a second free text field in the FIX protocol titled "*AdditionalClientMemo*" via **FIX Tag #5149**. A description of this new tag and the impacted FIX messages are detailed below. This new tag is optional. If a Participant does not intend to leverage the new field, no modifications are required to their FIX Order Entry application(s).

FIX Tag #	Field Name	Description/Values	Field Length
5149	AdditionalClientMemo	Alphanumeric free format text string. Format Rules: • None of the following ASCII characters are permitted: % (percent sign), ',' (comma), ';' (semi-colon), # (pound sign), ' " ' (double-quote) and '|' (pipe). • No ASCII characters in the decimal code ranges between 0 to 31, 127 and up are permitted.	16 characters

FIX Message Impacted	Description
D	New Single/Complex Order
G	Cancel/Replace Single/Complex Order Request (Order Modification)
PI	Auction Initial Order
F	Single/Complex Order Cancel Request

AB	New Multi-Leg Order
AC	Cancel/Replace Multi-Leg Order
8	Execution Report
9	Single/Complex Order Cancel Reject

Tag #5149 AdditionalClientMemo will be supported in all existing FIX protocol versions.

For supporting documentation concerning changes to the FIX protocol, please see the
 BOX website.

Test Environment
Participants who wish to test their applications for these changes may contact the BOX Market
Operations Center to coordinate testing.

Contact
Please contact the BOX Market Operations Center at (866) 768-8845 or by e-mail at
BOXMOC@boxoptions.com should you require additional information.
