

Weekend Testing Dates

TO: BOX Options Participants and Data Recipients
FROM: BOX Market Operations Center
SUBJECT: Weekend Testing Dates
DATE: June 16, 2026

Effective immediately, BOX Options Market LLC ("BOX") will support regular weekend testing for all BOX Participants and Data Recipients.

A complete list of all weekend testing dates and timeframes can be found on the [BOX Website](#).

Overview

To support ongoing system readiness, performance validation, and operational reliability for both the Exchange and its Participants and Data Recipients, BOX will host a series of weekend testing dates for its trading system and related components.

The following BOX services will be available during this time:

- FIX Order Entry
- SAIL Order Entry
- SAIL Quote Entry
- SAIL Quote Purge
- Automated Trade Reporting ("ATR")
- High Speed Vendor Feed ("HSVF") Market Data

BOX Participants and Data Recipients may leverage their existing connections at Equinix NY4 for access to the weekend testing windows.

These dates and timeframes will be unstaffed unless otherwise communicated.
