

BOX Binary Market Data Feed Available in the BOX Test Environment

TO: BOX Options Participants and Data Recipients
FROM: BOX Market Operations Center
SUBJECT: BOX Binary Market Data Feed Available in the BOX Test Environment
DATE: July 15, 2026

Overview

BOX Options Market LLC ("BOX") is pleased to announce that the BOX Binary Market Data Feed – previously announced in [Notice 2026-032](#) – will be available for testing in the BOX Test Environment beginning on **Monday, July 20, 2026**.

Provisioning & Access

Participants and Data Recipients who wish to participate in the testing of the BOX Binary Market Data Feed must request access to the Test Environment Binary Market Data Feed by submitting a BOX Test Environment Access Form to the BOX Market Operations Center.

Key Details

- Daily start-up and shutdown schedules for the Test Environment will follow the standard Test Environment operating hours (01:30 to 18:00 EST).
- Sample configurations, testing scenarios, and data injections are available upon request.
- The Test Environment will publish simulated and test market data only.
