

BOX Network Infrastructure Maintenance – September 4, 2026

TO: BOX Options Participants and Data Recipients
FROM: BOX Market Operations Center
SUBJECT: BOX Network Infrastructure Maintenance – September 4, 2026
DATE: September 2, 2026

BOX Network Infrastructure Maintenance

On **Friday, September 4, 2026**, BOX Options Market LLC ("BOX") will be performing network maintenance on the BOX network infrastructure starting at **6:00 pm EST**.

During this downtime, Participants and Data Recipients will not be able to access reports via the SFTP service using the external (DMZ) SFTP server in CH2. Participants and Data Recipients will still be able to retrieve reports via the SFTP service using the external (DMZ) SFTP server in NY4.

Participant and Data Recipient access to the external (DMZ) SFTP server in CH2 will resume **after 6:30 pm EST on Friday, September 4, 2026**.

It is recommended that all Participants and Data Recipients test their ability to retrieve their reports via the SFTP service in CH2 following the completion of this scheduled maintenance.
