

Update – BOX Binary Market Data Feed

TO: BOX Options Participants and Data Recipients
FROM: BOX Market Operations Center
SUBJECT: Update – BOX Binary Market Data Feed
DATE: September 25, 2026

BOX Options Market LLC (“BOX”) is providing an update regarding the proposed **BOX Binary Market Data Feed**, as previously announced in [Notice 2026-032](#) and [Notice 2026-068](#).

BOX is assessing the project and its planned implementation. As part of this assessment, BOX reviewed the proposed approach, timing, and implementation.

As a result of this assessment, BOX has decided to pause the BOX Binary Market Data Feed project. All previously provided information, including the BOX Binary Market Data Specification Guide, should no longer be considered valid. Access to the BOX Binary Market Data Feed in the BOX Test Environment will no longer be available.

BOX will provide additional information regarding the BOX Binary Market Data Feed as it becomes available. Such information regarding future developments will be communicated through subsequent Notices.

Technical Documentation

Please refer to the **BOX Network Connectivity Guide** (revised 09/24/2026) for more information regarding access to the BOX Test Environment.

To receive the BOX Network Connectivity Guide, please reach out to the BOX Market Operations Center.

Contact

Please contact the BOX Market Operations Center at (866) 768-8845 or by e-mail at BOXMOC@boxoptions.com should you require additional information.
